Front End Web Developer

Description

Job brief:

We are looking for a qualified Front-end developer to join our UK based client's new Mumbai IT team. You will be responsible for building the client-side web applications. You should be able to translate company's and customer needs into functional and appealing interactive applications.

If you're interested in creating a user-friendly environment by writing code and moving forward in your career, then this job is for you. We expect you to be a tech-savvy professional, who is curious about new digital technologies and aspires to combine usability with visual design.

Ultimately, you should be able to create a functional and attractive digital environment for our company, ensuring great user experience.

Responsibilities

Responsibilities:

1. Use markup languages like HTML to create user-friendly web pages
2. Maintain and improve website
3. Optimise applications for maximum speed
4. Design mobile-based features
5. Collaborate with back-end developers and web designers to improve usability
6. Get feedback from, and build solutions for, users and customers
7. Write functional requirement documents and guides
8. Create quality mock-ups and prototypes
9. Help back-end developers with coding and troubleshooting
10. Ensure high quality graphic standards and brand consistency
11. Stay up-to-date on emerging technologies

Qualifications

Requirements

1. Proven work experience as a Front-end developer
2. Hands on experience with markup languages
3. Experience with JavaScript, CSS and jQuery
4. Familiarity with browser testing and debugging
5. In-depth understanding of the entire web development process (design, development and deployment)
6. Understanding of layout aesthetics
7. Knowledge of SEO principles and WordPress CMS
8. Familiarity with software like Adobe Suite, Photoshop and content management systems
9. An ability to perform well in a fast-paced environment
10. Excellent analytical and multitasking skills
11. Bachelors degree in Computer Science or relevant field.
